

**CREE NATION GOVERNMENT
EYYOU TAPAYATACHESOO**

**2023
Consolidation of the
By-Law Concerning Financial Authority of the Cree Nation Government**

WHEREAS the powers of the Cree Nation Government are exercised by the Council, except in those matters declared to be within the exclusive jurisdiction of the Board of Compensation or of the Executive Committee;

WHEREAS the Council of the Cree Nation Government (CNG) may from time to time by By-Law entrust to and confer and delegate upon the Executive Committee, and upon the Management Committee, the Executive Director, Director-General, Treasurer and senior and management staff of the CNG some of its rights, powers and obligations as it deems fit and appropriate;

WHEREAS Section 49 of the *Act Respecting the Cree Nation Government* states that the Executive Committee authorizes the payment of all sums due by the CNG in accordance with the formalities, restrictions and conditions prescribed by this Act;

WHEREAS the Council may enact by-laws dealing with the preparation of budgets, with budget appropriations and with the disposition of unexpended appropriations;

WHEREAS appropriate delegation of authority is fundamental to the effective and efficient management and operation of the Cree Nation Government;

THEREFORE the present By-law is intended to establish the principles that govern the delegation of financial authority and outline the process by which the authority to act and to make decisions are delegated.

1) Application

This By-law applies to all departments and personnel of the Cree Nation Government.

In the event of an inconsistency or a conflict between this By-law and another CNG policy, this By-law prevails to the extent of the inconsistency or conflict.

2) Scope

This By-law applies to the procurement of goods and services, capital projects and to any commitments to exchange money or property, currently or in the future, from or to the CNG, or to perform services which would require the expenditure of money or use of CNG resources.

3) Principles

3.1 Delegations of authority are appropriate in the following situations:

- a) where the delegation will enhance the effectiveness and efficiency of the operation without risking the integrity of the internal control necessary for accountability;
- b) where the person receiving the delegation has the expertise to use the delegated authority appropriately and knowledgeably;
- c) when the risk of abuse of a delegated authority is minimal or where it can reasonably be controlled;
- d) when the responsibilities of the person receiving the delegation requires such authority to provide the person the capacity to carry out his responsibilities; and
- e) when there is a method in place to insure proper exercise of the delegation of authority including a monitoring and periodic review/audit.

3.2 No individual may sign any contract that creates an obligation or undertaking on behalf of the CNG unless that individual has financial authority in accordance and in compliance with this By-Law.

3.3 All individuals who are involved in financial transactions within the CNG have a fiduciary responsibility to safeguard the assets of the organization and ensure the integrity of its accounting records.

3.4 Before contracting any obligations for the CNG, namely by signing contracts, authorizing payments, etc. the signing officer must be satisfied as to the following and must be prepared to take responsibility to attest that the:

- a) CNG is able to meet its obligations within the terms of the contract/obligations and that the other parties are reasonably likely to meet their obligations;
- b) contract complies with the relevant legislation, CNG By-laws, policies, etc.;
- c) CNG has sought and obtained the necessary approvals, when required;
- d) financial and other benefits to, or liabilities of, the CNG as a result of the contract have been considered and are reasonable.

3.5 Supervisors are accountable for all financial transactions executed by the personnel under their authority.

4) Legislative and By-Law Framework

4.1 This By-law takes account of the Act Respecting the Cree Nation Government (R.S.Q., c. G-1.031) and the Cree-Naskapi (of Quebec) Act (S.C. 1984, c. 18).

5) Related policies

5.1 The following by-laws or policies contain information about specific financial arrangements, and must be read in conjunction with this By-law:

- Cree Nation Government General By-law
- By-law concerning the Procedures and Requirements relating to the Calling of Tenders and Awarding of Construction Contracts
- Travel Policy

6) Definitions

6.1 For the purposes of this By-law, the following words or expressions mean:

- a) **Act:** the *Act Respecting the Cree Nation Government*;
- b) **CNG:** the Cree Nation Government excluding the Board of Compensation;
- c) **Council:** the Board of Directors of the Cree Nation Government;
- d) **Financial transaction :** any exchange involving the transfer of money or property, currently or in the future, from or to the CNG;
- e) **Year:** the fiscal year from April 1 to March 31

- a) such expenditure is authorized by or under a by-law or resolution; and
- b) a certificate is issued by the Treasurer or his designate stating that moneys are available for such expenditure.

7.2 Non-compliance by the CNG with section 7.1 does not affect the validity or enforceability, with respect to the other party, of the CNG's commitment to expend moneys, if the other party took reasonable steps to satisfy itself that the CNG had complied with section 7.1.

7.3 Where a by-law or resolution referred to in section 7.1 is inconsistent with the CNG's budget or a supplementary budget, the by-law or resolution shall so state, but a non-compliance with this section does not affect the validity of the by-law or resolution.

Authorization of Expenditures and Commitments

7.4 For greater certainty, the adoption by the Council of the budget or a supplementary budget does not replace the need for authorization and certification provided under section 7.1.

- 7.5 For the purpose of subsection 7.1 a), the Council hereby permits only the persons and committees listed in **Appendix A and B** to authorize expenditures and to make financial commitments on behalf of the CNG in accordance with the amounts by transaction, responsibilities and the fields of authority set forth in **Appendix A and B**, the whole subject to requirements regarding the awarding of contracts, as applicable.

- 7.7 Prior to authorizing any expenditure or commitment pursuant to section 7.5, the person or committee shall ensure that such expenditure or commitment respects the budget or a supplementary budget, is permitted by any applicable funding agreement, as the case may be, and that funds are available for such purposes.
- 7.8 No person shall split or segment an expenditure or financial commitment for the purpose of permitting a person or committee to authorize expenditures or financial commitments that would otherwise not be permitted under section 7.5 and **Appendix A and B**.

Certification of Available Funds

- 7.9 The Treasurer, or in his absence, the designate of the Treasurer, shall only issue a certificate contemplated by subsection 7.1 b) after having confirmed that such expenditure is authorized by resolution of the Council or under this By-law, and that moneys are available for such expenditure.
- 7.10 For the purpose of subsection 7.1 b), with respect to expenditures of \$50,000 or less, the signature of the Treasurer or in his absence, the designate of the Treasurer, on the relevant cheque, or any corresponding authorization for another form of payment, is deemed to constitute a certificate contemplated by section 7.9.

Payment

- 7.11 No CNG Funds may be released or otherwise paid out unless the expenditure has been previously authorized in accordance with this By-law and a requisition for payment is provided indicating the budgetary appropriation or appropriations from which it is to be paid, with documentation supporting the chargeable expenditure.
